7. Judging will be according to IFGA standards and all decisions of the judges will be final.
8. All entry fees must be paid at time of registration. Shipped entries, which are to be returned, must include return postage fees and mailing label. If you are using USPS as your carrier kindly pack your fish in an unmarked carton to avoid return shipping problems with the postal service

Entries to be auctioned must be clearly noted on entry form. **Females of the same strain must be included with all show males and males must be included with all show females to be auctioned as 50/50. Exhibitors will receive the 50 – 50 split only for pairs, trios or reverse trios. Any guppies submitted for the auction without an opposite sex partner from the same line will be considered a donation to the N.E.F.G.A. and auctioned last.** Additional trios or pairs not entered in the show may be sent to be placed in the auction and should be clearly marked with the breeders name, strain and age of fish. N.E.F.G.A. will retain 50% of the sale of all auctioned fish except guppies without an opposite sex partner. Non-exhibited fish must be bred and raised by the exhibitor and must be from IFGA quality strains. Any fish not receiving an opening bid will be retained by N.E.F.G.A. If you are planning on attending the auction in person either as a buyer or seller please access our web site “newenglandguppies.org” for an expanded listing of rules and procedures as well as some new important information that will allow you to pre-register your auction entries. If you

pre-register your auction entries you will receive a 60% return on your auction lots instead of the usual 50%.
